

Grand Mound Elementary School

Family Engagement Policy and Procedures 2017-2018

Grand Mound Elementary School is committed to the goal of providing quality education for every child in this school. To this end, we want to establish partnerships with parents, the community and any outside resources. The benefits are astronomical when Grand Mound Elementary School and our families work together to promote high achievement for our children. Neither home nor Grand Mound Elementary School can do the job alone. We acknowledge that parents are their child's first teachers. Supporting families will only create more opportunities for the success of our children.
