

**PUBLIC NOTICE**  
**Asbestos Awareness**

As designated person for the Rochester School District #401, I need to inform you that there is asbestos in our buildings. All asbestos containing material is in good shape and is under surveillance.

I must also inform you that Rochester School District #401 has a management plan that has been in effect since 1989. Copies of this plan are available for review at each school office and also at the District Office.

If you have any questions concerning our management plan, please call me, Larry Quarnstrom, Director of Maintenance, at 360-273-6940.
